

We are hiring! The Department of Insurance is currently looking for a Procedures Development Specialist I for the Division of Insurance Fraud Investigation.

The mission of the Division of Insurance Fraud Investigation is to protect the Commonwealth through conducting fair and impartial criminal investigations, and other related activities for the purpose of deterring insurance fraud. Insurance fraud harms the public through the increase of premiums paid for insurance coverage. By statute, it is a criminal act to engage in insurance fraud and criminal penalties are an important element in the prevention and/or deterrence of such crimes.

We are looking for a Procedures Development Specialist I to join our team of highly skilled professionals. As a Procedures Development Specialist I, you would analyze federal and state laws and regulations to determine the impact on the Market Conduct Program within the branch. Maintains information for the Special Investigative Unit (SIU) files of all operating insurers, relative to their anti-fraud plans and fraud requirements. Conducts reviews and studies of operational policies and procedures for defining program effectiveness. Provides technical assistance of program policies and procedures.
